McAnnulty and Whitehall Elementary Schools

Thursday, November 21, 2019
6:30 PM – 8:30 PM
Located at Whitehall Elementary
Doors will open at 6:00 PM for set-up of projects

Calling all K-5 Scientists!!!!

The Science Fair is a PTO-sponsored event open to ALL McAnnulty and Whitehall Elementary School students. It is non-competitive- EVERY child that participates will be awarded a medal!

All submitted Science Fair projects will be displayed and presented the night of the event. Participants are encouraged to include a display board that includes a description and experiment steps.

Come with your family and enjoy an evening of student experiments, fun activities with the Baldwin and Whitehall public libraries, and other exciting demonstrations throughout the night. Munchie Mouth will be open, as always, and Sub Zero Nitrogen Ice Cream will return and sell for $4 per serving.

Ideas for age-appropriate Science Fair projects can be found online at sites like education.com/science-fair, sciencebuddies.org, and our PTO website meandwepto.weebly.com.

Questions? Please contact: Margaret Mahoney- 412-999-8220 or mahoney.margaret@gmail.com
